

📍 Contractors We Have Known

Below we share contractors who Newtown neighbors have found to be knowledgeable and reliable to work on our historic-era homes. We will update this list from time to time.

Disclaimer: Placement on this list does not constitute an endorsement of any individual, corporation, or institution by the Newtown Association. Neither does the Association guarantee the competence of any individual or firm; nor is there any guarantee, implicit or implied, that any work produced by those on this list will necessarily meet Salisbury Historic District Commission requirements. We strongly recommend that you contact at least three consultants when making your selection and request references from previous clients.

ALSO! New energy-efficient technology & products some Newtowners have installed

- **Tankless water heater:** gas, high-efficiency boiler, automatic on only when hot water is needed. Vendors include Rinnai, A.O. Smith Corporation, Bosch, Bradford White Corporation, Noritz Corporation, and Rheem Manufacturing.
- **Heatsaver wall underlining:** installs as any wall paper. Heatsaver Polystyrene Veneer Insulation by Saarpur is an economical way to provide a basic layer of insulation for walls and ceilings. It will help keep your home warm and also reduce sound transference between walls. It covers minor cracks and wall imperfections. (www.gowallpaper.co.uk)
- **Ductless air conditioning/heating:** Mitsubishi Mr. Slim maintains steady level of temp (electric). Quiet, energy efficient, filters air, installed per room, remote controlled.
